Competing gliders

The contest will be held in the 18m, Standards and club class. Gliders must have a valid Certificate of Airworthiness or a Permit-to-Fly not excluding competition flying.

Competition Area and Airspace

The tasks during the competition will be set to Alps region towards West or into the flat land in East direction towards Hungary. The task setting is going to take into consideration multiple factors including:

- weather;
- outlanding possibilities and safe terrain clearance;
- airspace restrictions.

Local Procedures

The local procedures will be published on the competition website in next bulletin.

Additional safety rules

All competing gliders must be fitted with a serviceable industry-standard anti-collision system and red or white strobe lights that comply with SC3 Annex A 4.1.1d.

Insurance requirements

- Third party liability insurance, not excluding competitions, or equivalent (1'500'000 SDR up to a MTOW 999 kg)
- Personal medical insurance is required for all pilots, covering accidents and sickness, including any local hospital costs and the costs of transport back to the team member's home country.

Pilot criteria

According the rules, pilots:

- Must have flown at least 250 hours as a pilot in command, of which at least 100 hours must be flown in sailplanes.
- Must hold a pilot License or equivalent document issued or recognized by EASA.
- Must hold a current FAI sporting licence.

Number of entries

The maximum number of entries is 50 pilots. Pilots will be accepted based on first come first served.

Registration

The pilot registration form is available at:

<https://www.wwgc2027.com/register/>
